His Highness the Maharaja of Mysore,

Sir,

On behalf of the above Association I have the honour to inform you that in view of the fact that the City Municipal Council, Bangalore has been given a special privilege by the nomination of a few Municipal Councillors during the periodical elections, the following facts may be considered.

A special representation has been extended to the Mysore Chamber of Commerce, the District Board etc., and it is deemed therefore high time to favour a similar privilege to this Association also, which has a membership of 190 members who are the principal grain merchants of the old and New Taragupets of this City

I may point out that the views of the mercantile community of this place are well reflected through the medium of this Association and I therefore beg to request you to kindly move Government in the matter of giving representation in the Municipality to this Association and to obtain their sanction for nominating one member during the ensuing elections.

I have the honour to be,
Sir,
